
Regretfully the SPOCO SC 10 mile, 25th August, on the E91 was cancelled at the last moment, due to traffic lights at the Clopton Hall Lane roundabout.

This was unforeseen, as the lights were only recently installed ready for the water company to commence work the next day. Unfortunately we are unable to re-schedule this event so late in the season, commiseration to all competitors who needed this as a SPOCO SE Group 1 qualifier.

The group one section of the competition, seems to be difficult to complete, even though only one event is required, lots of people over the years have failed with only group 1 needed to succeed.

Ten mile time trials seem to be traditionally on a Saturday, SPOCO SC have tried Wednesday afternoons and Essex Roads have promoted a Wednesday evening event, perhaps we could find someone to promote a ten mile on a Sunday to complete all options. *GP*

Thank you to the support of the marshals: Ken Wheeler for pushing off, Dennis Cracknell, Fred Little, Roy Godbeer, Mike Street, Mike Brushett and George Potter. Also for Peter, Brenda and Christine who did the timekeeping. Robin Johnson who rode the event and provided the refreshments with the able assistance of Fran and Jim Hornett.
